Social Studies: Geography

First grade social studies skills in this section include the following:

- locating familiar places in the home, classroom, and school.
 - identifying functions of places in homes and schools.
 - analyzing patterns of movement between homes and schools.
-

Teacher Script

We all live places, and we all come to school. The questions in this last part of the test are about where we live and go to school.

Put your finger on the number 1. Look at the pictures. Which picture shows what you would do in the kitchen or dining room of a house? Fill in the circle of your answer. *(Pause.) (have a meal)*

Put your finger on the number 2. Look at the pictures. Which is something you will find in a kitchen? *(Pause.) (a stove)*

Put your finger on the number 3. Look at the pictures. Which picture shows what you would do in the bedroom of a house? *(Pause.) (sleep)*

Put your finger on the number 4. Which picture shows what you would do outside a house? *(Pause.) (play an outdoor game)*

Put your finger on the number 5. Which picture shows children on their way to school? Fill in the circle of your answer. *(Pause.) (children walking with books)*

Put your finger on the number 6. Which picture shows how you might get to school if you had far to go? Fill in the circle of your answer. *(Pause.) (bus)*
