# Activity Card #4

## Activity Card #4: Teddy Bear Mobiles

### Supplies:

- Teddy Bear Mobile (page 287)
- tan or brown construction paper, one piece per student
- scissors
- crayons or markers
- bow tie ribbons, various colors and sizes
- a wide variety of buttons
- glue
- yarn, one piece per student
- hole puncher

### Instructions:

1. Ahead of time, reproduce the Teddy Bear Mobile on tan or brown construction paper.
2. Distribute the construction paper teddy bears to students. Tell students to cut out the construction paper teddy bears.
3. Ask youngsters to use markers or crayons to color the eyes, face, vest, etc.
4. Invite students to glue ribbon bow ties and vest buttons on the construction paper teddy bears. Allow the glue to dry.
5. Help students punch a hole at the top of their construction paper teddy bears.
6. For each bear, string a piece of yarn through the hole you have punched. Tie the yarn onto the bear, or make a loop with the yarn and tie the two ends together.
7. Display the construction paper teddy bears in the classroom. As an alternative, you may wish to encourage youngsters to hang their construction paper teddy bears at home.

**Extension:** Have students sort and count the extra buttons at this center.
