# Raindrops

When the raindrops start to fall,  
Then I'll hear the puddles call.  
With yellow boots upon my feet,  
I'll go splashing down the street.

# April Showers Photograph

- Take a photograph of the children splashing in puddles.
- Take a photograph of each child dressed in a raincoat and rubber boots and holding an umbrella.

Have students cut out and decorate the umbrella below. Attach the picture to the top of the umbrella. Attach the handle.
