

Level: **F**      Word Count: **84**

100th Word: **NA**

## Teaching Focus:

Phonics: Word Study

Look at the big word adaptations. How many small words can you find in this word?  
(For example: sit, pat, sad)

My  
Science  
Library

Levels 1-2

## Tips on Reading this Book with Children:

**1.** Read the title.

*Predictions – after reading the title have children make predictions about the book.*

**2.** Take a book walk.

*Talk about the pictures in the book. Use content words from the book as you take the picture walk.*

*Have children find one or two words they know as they do a picture walk.*

**3.** Have children find words they recognize in the text.

**4.** Have children read the remaining text aloud.

**5.** Strategy Talk – use to assist children while reading.

- Get your mouth ready
- Look at the picture
- Think...does it make sense
- Think...does it look right
- Think...does it sound right
- Chunk it – by looking for a part you know

**6.** Read it again.

**7.** Complete the activities at the end of the book.

# Ways to Live

**Adaptations** help animals **survive**.

Some animals have colors that help them hide. Can you find the insect?

**Big eyes help owls  
hunt at night.**
