

2.

Tigers have the biggest teeth of any cat.

LOOK HOW LONG A TIGER'S TOOTH CAN BE!

3.

A tiger is the only wild cat that has stripes. Having stripes helps a tiger **blend into** the forest.

4.

Tigers don't **purr** when they are happy. Instead, they close their eyes.

5.

Tigers are the only big cats that like to swim.

6.

Just like people, tigers need to learn how to swim. It may be scary at first, but young tiger cubs soon feel at home in the water.
