It's a Jungle

Over half of the plant and animal species on Earth live in rain forests.

Look at these pictures. Circle 5 things that are different in the picture above.

I'll Trade You

Before the use of money, people traded goods and services for what they needed. This was called bartering.

Look at these pictures. Circle 5 things that are different in the picture above.

Achoo!

When you have a cold, cough and sneeze into your arm, not your hands.
This helps stop the spread of germs.

Look at these pictures. Circle 5 things that are different in the picture above.
