See pages 4–5 to find out how this book can help your child master three key aspects of learning and using the alphabet: **letter recognition**, **letter formation**, and **sound recognition**.

The activities found on pages 6–63 of this book will help your child's understanding of the alphabet in the following ways:

Tracing, writing, and recognizing each letter in its lowercase form.

Tracing, writing, and recognizing each letter in its uppercase form.

Locating lowercase letters within words.

Locating uppercase letters in names.

Focusing on the sound or sounds each letter can make.

Following directions to locate letters and solve puzzles.

See page 64 for a colorful award your child will love to receive for a job well done.
