

# Contents

See page 4 for **patterns-based activities** your child can try at home.

The **patterns-based activities** in this book help build the following skills:

- Looking at colors, shapes, objects, numbers, or letters to determine a pattern.
- Finding and circling what would come next or first in a pattern.
- Coloring to continue a pattern or to create a pattern.
- Crossing out letters in a pattern to decode a hidden message.

See page 5 for **sequencing activities** your child can try at home.

The **sequencing activities** in this book help build the following skills:

- Filling in numbers or letters to complete a sequence.
- Using prior knowledge to determine the sequence of given events.
- Using textual and/or graphical information to determine a sequence.
- Reading a short passage and sequencing the events contained within it.

See pages 62-63 for answers to the activities.

See page 64 for a colorful award your child will love to receive for a job well done.
