Grandma

Hillary's grandmother takes her to watch a dolphin show at Ocean City.

Emily Fisher

Emily is Hillary's cousin, a dolphin trainer at Ocean City.

Uncle John

Uncle John is Emily's father and the head veterinarian at Ocean City.

A GREAT OPPORTUNITY

Uncle John decides to take Hillary behind the scenes for a firsthand observation of the life of an animal trainer at Ocean City.

I thought the show was great!

When the show ends, the real work begins. Can you help me with the less glamorous side of my job?

That's a great idea. I'll go visit with your grandma while you two take care of the dolphins.
